

COVID-19 UPDATES AND INFO

We are here for you!

Updated 4/8/2020

Parts, Rental, Sales, Service

Your work is essential, so our doors remain open. We are here for your critical business needs and will continue to practice safe social distancing and sanitization. If you would like to call ahead with your parts orders, we will be happy to provide **curbside pickup**.

Extra Safety precautions on rental equipment & serviced equipment:

We are cleaning equipment where customers and employees may make contact, for example in the cab, door handles, controls, etc.

Stay Safe!
